REPORT
CARD**

GRADES : K 1 2 3 4 5 6 7 8

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	0.4	90.0	9.0	0.2	0.0	0.4	83.9	3.6		7.5	23.3	92.9	521
District	2.2	49.1	47.5	0.6	0.0	0.6	78.7	16.8		2.4	20.1	94.5	5,538
State	54.9	19.6	19.3	3.8	0.2	2.2	40.9	7.2		2.5	15.2	93.7	2,077,856

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

District	\$85,117	2.64	\$4,572	\$8,079
State	**	**	\$5,567	\$9,488

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

The 2006-07 ISAT test results revealed that the Garfield's student's scores were as follows: 44.3% met or exceeded state standards in Reading, 51.9% in Mathematics.

By grades the following scores are as follows. In grade 3: 64.0% in Reading and 75.0% in Mathematics. In grade 4: 34.0% in reading, 66.0% in Mathematics. In grade 5: 28.0% in reading and 49.0% in mathematics. In grade 6: 32.0% in reading and 45.0% in mathematics. In grade 7: 38.0% in reading, 35.0% in mathematics. In grade 8: 61.0% in reading and 36.0% in mathematics.

Our focus continues to be in Reading, Math and Writing, incorporating technology in all of these components. The goals that we have developed include strategies to increase the number of students in all sub-groups meeting and exceeding the state standards.

The goals we have developed include strategies to increase the number of students in all sub-groups meeting and exceeding the state standards.

Strategies included in our long-range plan are:

- Implementation of standards-led instruction.
- Creating standards-led classrooms.
Monthly professional development specifically designed for new teachers.
- Identification of students not meeting standards and their weaknesses
- Grade level meetings to develop strategies to address specific student academic deficiencies.
- Implementation of Positive Behavior Intervention Strategies and Peer Mediation.
- Introduction and reinforcement of character traits to students that are necessary for academic success and personal growth.
- Increase use of Child-Study Teams to assist teachers with strategies on dealing with students with severe academic and behavior difficulties.
- Extended use of ISAT Coaching materials.
- Before and after-school tutoring.
- Student incentives and recognition programs.
- Experiential education experiences to build student background knowledge.
- Utilization of Literacy Coaches and outside consultation groups to model "best practices"
- Increase parent involvement through special family reading nights, parent reading meetings, and increase Parent Association participation.
- Measuring up Resources that are aligned to the standard.
- Read About Computer Software Program.
- Increased usage of Rubrics in classroom.
- Daily extended response.
- Independent Daily reading.
- Waterford Computer program for Kindergarten and 1st grade
- Young Author's participation.
- Study Island Software Program for Reading and Math.
- Grade Quick – Grading Computer software.

Reading, Math and Writing will once again be the focus of school improvement at Garfield School. Our faculty and staff are dedicated to provide students with a quality education, providing a safe learning environment and to meet the needs of all our students.

Gwendolyn Wade, Principal
Garfield School
