SCHOOL
REPORT
CARD**

GRADES : K 1 2 3 4 5 6 7 8

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	0.0	91.4	8.4	0.2	0.0	0.0	91.4	2.8		0.0	23.0	93.5	502
District	2.2	49.1	47.5	0.6	0.0	0.6	78.7	16.8		2.4	20.1	94.5	5,538
State	54.9	19.6	19.3	3.8	0.2	2.2	40.9	7.2		2.5	15.2	93.7	2,077,856

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.
Mobility rate is based on the number of times students enroll in or leave a school during the school year.
Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator

State	12.9	47.6	52.3	1.5	3.2

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2005-06 (Percentages)

REVENUE BY SOURCE 2005-06				EXPENDITURE BY FUND 2005-06			
	District	District %	State %		District	District %	State %

OTHER FINANCIAL INDICATORS				
	2004 Equalized Assessed Valuation per Pupil	2004 Total School Tax Rate per \$100	2005-06 Instructional Expenditure per Pupil	2005-06 Operating Expenditure per Pupil
District	\$85,117	2.64	\$4,572	\$8,079
State	**	**	\$5,567	\$9,488

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

ISAT Grade 6

ISAT Grade 7

ISAT Grade 8

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

The 2007 ISAT Test results revealed that Irving Students in Grades 3, 4 and 5 made progress in meeting adequate yearly progress in Math over students in those grades the previous year. Math scores for students in Grade 5 increased significantly to over 80% of the students meeting or exceeding standards. The lack of achieving AYP and apparent decreases in Reading in Grades 3, 5 and 8 continues to make Reading a priority. At first glance, it appears that the scores for students in Grades 3, 5, decreased because scores for these students were lower than the scores of the previous class. However, a closer look at the data reveals that in 8th Grade, there was a slight increase in the Reading scores from previous years. Trend data over the past two years is showing that Irving 8th Grade students are achieving higher levels of Reading competency. In 2006 ISAT results concluded that 50% of our grade 8 students were neither meeting nor exceeding in Reading. As a school we will continue to make Reading a top priority so that AYP is achieved. Irving's staff is committed to the continued academic improvement of our students. Our planned improvements are aligned with the goals of the Illinois Learning Standards and the District 89 Strategic Plans

We endeavor to improve teaching and learning at Irving School by implementing and continuing the following activities:

- Implementation of the Illinois State Standards led instruction
- Using the Illinois Frameworks to guide the curriculum.
- Teaching to mastery
- Increase Literacy in reading, vocabulary, writing and mathematics for all students, including students with individual education plans (IEP) and English for speakers of Spanish (ELL) with an emphasis on grades K-3
- Identification of students not meeting standards and their weaknesses.
- Improve achievement for critically low performing students
- Monthly professional development specifically designed for all teachers.
- Weekly grade level meetings to develop strategies to address specific student academic deficiencies.
- Utilization of Literacy and Title I coaches, and other outside reading consultant groups (95% Group) to model "best practices"
- Continue to use and monitor the Read About program at all grade levels.
- Increase technology in curricular activities
- The use of student data to drive instruction
- Continued weekly mathematical timed tests in grades 1-8
- Provide a safe and nurturing school environment that is free of drugs, weapons, and harassment where standards of appropriate and ethical behavior is upheld
- Implementation of Positive Behavior Intervention strategies for all students and staff
- Introduction and reinforcement of character traits for personal growth
- Increase student incentives and recognition programs.
- Identify all students who need educational support services. Supportive Educational Services (SES)
- Continued participation in the Neighborhood United Methodist Church Tutorial program for grade 4.
- Continued use of the Stay On Track program for all students who have chronic tardies
- Continued use and monitoring of the Child Case Study program which identifies the severe academic and behavior difficulties.
- Increase involvement with the school parents, businesses, and other community interests.
- Increase parent involvement through special family reading nights, parent-reading meetings and increase teacher and parent association participation (PTA)
- Continued support of APOP Services (gifted) and the National Junior Beta Club (Academic and Service)

Irving School will continue to "Do Whatever It Takes for Excellence" as a goal for the current school year. We are facing our challenges head on with the goal of making consistent monthly incremental progress. Through a collegial framework of teachers, parents, administrators, and community stakeholders supporting each other, our students will be successful.

Mrs. Trudy Hunter, Principal
Irving School
