Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

ILLINOIS MEASURE OF ANNUAL GROWTH IN ENGLISH (IMAGE)

Students enrolled in state-approved transitional bilingual programs for less than three years take IMAGE if they are unable to take ISAT/PSAE due to their lack of proficiency in English. The table below presents IMAGE results for these students. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 --Academic Warning -	Students work demonstrates limited knowledge and skills in the subject. Due to major gaps in learning,students apply knowledge and skills ineffectively.
Level 2 --Below Standards -	Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
Level 3 -- Meets Standards -	Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
Level 4 --Exceeds Standards -	Student work demonstrates advanced knowledge and skills in the subject. Student creatively apply knowledge and skills to solve probelms and evalaute the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 55.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 55.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 55.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 72% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2006.

** Safe Harbor Targets of 55.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

The 2006-07 ISAT test results revealed that the Jane Addams student's scores were as follows: 79.4% met or exceeded state standards in Reading, 90.1% in Mathematics, and 86% in Science.

By grades the following scores met or exceeded state standards. In grade 3: 88.2% in Reading and 97.1% in Mathematics. In grade 4: 89.7% in reading, 92.3% in Mathematics and 84.6% in science. In grade 5: 72.1% in reading and 88.4% in mathematics. In grade 6: 87.8% in reading and 98% in mathematics. In grade 7: 62.5% in reading, 87.5% in mathematics, and 87.5% in science. In grade 8: 72.9% in reading and 85.1% in mathematics. Only 4th and 7th graders took the science tests.

Our focus continues to be in Reading, Math and Writing, incorporating technology in all of these components. The goals that we have developed include strategies to increase the number of students in all sub-groups meeting and exceeding the state standards.

Strategies included in our long-range plan are:

- Provide a comprehensive balanced literacy program.
- Continue to increase instructional time in reading and math.
- Implement technology programs such as Read About to be used as a monitoring tool/supplement in reading.
- Utilize the Technology Facilitator to assist teachers and students in the Technology Lab with the implementation of computer programs.
- Incorporate the "Waterford Computer Program" as a resource in the Kindergarten and 1st grade classrooms.
- Incorporate the "Write Source" to help students become better writers using the six traits of effective writing along with a variety of lessons and activities.
- Assist struggling students in reading and math.
- Continue the implementation of our current math program.
- Implement the use of "Daily Oral Language" to assist in communication and writing skills.
- Complete monthly themed and styled writing samples compiling a student portfolio.
- Incorporate the Reading First Academy activities in kindergarten through third grade classrooms.
- Incorporate the CRISS strategies in fourth through eighth grade classrooms.
- Utilize the STRP strategies that include graphic organizers in core subject areas.
- Promote parent involvement by inviting parents to be part of the School Improvement Planning committee and by providing activities and workshops which will enable parents to help their children succeed in school.

Reading, Math and Writing will once again be the focus of school improvement at Jane Addams School. Our faculty and staff are dedicated to provide students with a quality education, providing a safe learning environment and to meet the needs of all our students.

Frank Mikl, Principal
Jane Addams School
