Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3, 4, 5, 7, and 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to students in state-approved transitional bilingual programs. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Three Conditions Are Required For Making Adequate Yearly Progress (AYP)

1. At least 95.0% tested for Reading and Mathematics for the All Group and Subgroups. If the current year's participation rates are less than 95%, the participation rate for AYP will be considered sufficient if the average of the current year and the preceding year is at least 95%, or if the average of the current year and the two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% but 'Met AYP' is 'Yes', it means the 95% condition was met by averaging.

2. At least 40.0% Meeting/Exceeding Standards for Reading and Mathematics for the All Group, and at least 37.0% for all Subgroups to compensate for error in measurement for smaller subgroup sizes, or meet Safe Harbor requirements***

3. At least 89.0% Attendance Rate for Non-High Schools or at least 66.0% Graduation Rate for High Schools

* Includes only students enrolled as of 9/30/03.

** Safe Harbor Targets of 37% or above are not printed.

*** Subgroups with fewer than 40 students are not reported. Safe harbor only applies to subgroups. In order for safe harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. Safe harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

The 2004 ISAT results revealed that **third** graders showed improvements in Reading by making an 8% gain and Mathematics with a 7% gain. The **fifth** graders made minimal gains in Reading and Math. Student scores in grade **eight** decreased in both Reading and in Math. This group has been working with ISAT coach books during their departmental times and practicing weekly using ISAT practice tests on the ISBE website. Weekly data is kept on each student regarding their progresses in Math and copies are given to the building administrator. Standards are stated at the beginning of each lesson and students are aware of them. In Writing, our **fifth** graders continue to strive for excellence as they exceeded state standards.

Our primary focus will continue to be Reading and Mathematics for all grade levels with special emphasis on Reading Comprehension across the curriculum and Extended Responses. We will continue to strive for improvement in the areas of teaching and learning by implementing each of the following:

- Implementation of standards-led instruction
- Monthly professional development specifically designed for new teachers
- Identification of students not meeting standards and their weakness
- Grade level meetings to develop strategies to address specific student academic deficiencies
- Introduction of Positive Behavior Intervention Strategies and Peer Mediation
- Introduction and reinforcement of character traits to students that are necessary for academic success and personal growth
- Increase the use of Child–Study Teams to assist teachers with strategies on dealing with students with severe academic and behavior difficulties
- Continued use of the Classworks software program at all grade levels
- Extended use of ISAT Coaching materials
- Practice ISAT tests using ISBE website for grades 3,4,5,7,8
- Extensive Pre-Algebra and Algebra concentration for junior high students
- Monitor Saxon Math Pacing Guides for mastery
- Project All S.T.A.R.S. (Students That Achieve Real Success) which offers academic support to students in grades 2-8
- SES Supplemental Educational Services offered for students through choice
- Neighborhood United Methodist Church after school tutorial program for students in grades 3
- Urban Gateway Grant to furnish the Arts in grades 3,5,8
- APOP (Accelerated Pull-Out Program) to provide accelerated work in Reading and Math for students in grades 2-8 who are the top 5%
- Student incentives and recognition programs
- External educational experiences to enhance student knowledge base
- Continued use of “Teaching to mastery”
- Utilization of Literacy Coaches and outside consultation groups to model “best practices”
- Continued parent involvement through special family reading days and increase Parent Association participation
- Analysis of qualitative and quantitative data through formal and informal assessments to aide in the decision-making process.

Irving School continues to “Strive for Excellence” as a goal for the current school year. We are facing our challenges with the goal of making consistent monthly incremental progress. Through a collegial framework of teachers, parents, administrators, and community stakeholders supporting each other, our students will be successful.
