Maywood-Melrose Park-Broadview
School District 89

As we prepare to ring in the New Year, the Curriculum Department would like to take this opportunity to say thank you for the work you do each and every day on behalf of our students. We are grateful for our wonderful administrators, teachers and students, families and community members. We would like to share a few pictures that represent our work towards our vision in District 89.

Vision

As a result of our "Whole Child" approach to education, District 89 Schools will be the school system of choice and source of community pride.

"There is only one child in the world and the child's name is ALL children." Carl Sandburg

District Family Nights: Data - September, Literacy - October, Math - November

Please join us for Climate and Culture/PBIS on January 17, 2017 at Emerson School.
