

Earth Day Contest

Did you know that Earth Day is celebrated internationally and that 20 million people took part in the first celebration? Now is your chance to take part in Earth Day! We are inviting YOU to take part in our 2018 **Cozzi Recycling Earth Day Contest!**

Recycling is one of many things you can do to help save our planet. **Recycling** aluminum cans is one of the easiest ways to get started. **Recycling** of aluminum cans not only saves energy, but discarded aluminum is more valuable than most items in the **recycling** bin.

We invite your school to **recycle** all of your aluminum cans and bring them to our Melrose Park facility March 1, 2018 – April 15, 2018. The school that brings in the most cans **WINS!!!**

Together we can make a difference! Let's save our planet and have fun doing it!
