

Free Primary Health Care For Proviso East High School Students!

Parents: When you register your child at Proviso East, enroll them in Loyola University's School-Based Health Center (SBHC), located inside the high school in Room 86B

About The School-Based Health Center (SBHC):

We are staffed by health care providers from the Loyola University Health System and the School of Nursing.

First Floor, Rm. 86B,
Proviso East High School

There is no charge for care.

If you have a Medicaid or insurance card, please supply a copy for our records.

Parents And Guardians Are Always Welcome!

Go to Room 86B, 1st floor (next to the School Nurse), to register, sign the required consent form, ask questions, or meet the staff.

SBHC Services:

- **School and sports physicals**
- Immunizations for students in the Illinois Vaccines for Children program
- Treatment for minor injuries and illnesses
- Treatment for asthma, diabetes, and other common conditions
- Mental health counseling with a Licensed Clinical Social Worker
- Medical Nutrition Therapy with a Registered Dietitian
- Health education programs such as our free Lunch Bunch program.
