

# Beyond THE BORDER

**OBJECTIVE:** Create a mixed media artwork that shows the illusion of space by having a main focal image expanding beyond the border.

## INSTRUCTIONS:

1. Choose your SUBJECT MATTER (examples could be birds, animals, sea creatures, fish, mythical creatures).
2. Draw a sketch (a pencil drawing) of your idea. Make it very detailed! This is your first or rough draft.
3. When your idea is approved by the teacher, then you will receive your final paper to start your project.
4. Begin LIGHTLY drawing your interior rectangle by measuring 2" from each side of the paper.
5. Draw your main subject matter LIGHTLY!
6. Draw in your background images LIGHTLY, only extending part of the image to the edges of the paper. (for example, vines, tree branches, flowers)
7. Use watercolor pencils to color in only the main image of your artwork and the rectangle.
8. Use black permanent markers to fill in the area outside of the rectangle using pen and ink techniques.
