## Accreditations & Quality

- Concordia University Chicago is a non-profit, CAEP (formerly NCATE) accredited institution
- All programs are aligned with the Illinois State Board of Education
- Recognized as one of the best Online Graduate Education Programs by U.S. New & World Report

\*The repayment example set forth above is for illustrative purposes only and was calculated based on a standard amortization Federal Stafford Loan assuming a loan amount of \$14,850, a payment term of 10 years and a fixed interest rate equal to 6.08%. Loan amount of \$14,850 is based on the total price for the Curriculum and Instruction Master's program. The price reflects tuition for the 2019 school year. Prices are subject to increase. Your total loan amount may vary based on program selection. The loan calculator used in this example is available at [www.studentaid.ed.gov](http://www.studentaid.ed.gov). It is your responsibility to verify your eligibility by completing the Free Application for Federal Student Aid at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). All loans are subject to federal student aid guidelines. The actual interest rate may change periodically based on federal regulations. If you elect to defer payments until graduation, loan interest may accrue during deferral. Title One Teacher Loan Forgiveness Program is a government program. You are responsible to verify your own eligibility. \*\*The Reading program requires a full semester (16 week) practicum that will meet at an earlier time at a local elementary school. During the practicum, students will also take one 8 week course. Students may be required to attend class two nights a week during the term that the two courses run concurrently. †The Doctoral, School Counseling, Illinois Principal Preparation Program and MAT programs may require a different schedule and completion time. GRE or Miller Analogies test required for Doctoral program.
