*"I love singing
with my friends!"*

Dear Parent or Guardian,

Every child has a natural love of music. And Pro Musica Youth Chorus provides a home where kids can sing, surrounded by friends and teachers who will help them find their voice and learn the joy of singing with others.

Our **MELODY MAKERS** ensemble is a wonderful introduction to singing for children four years old through first grade. Each class is playful and enjoyable, while teaching the building blocks of music. Through group singing of simple songs, games, and activities, we introduce pitch exploration, dynamics, and rhythm. Our young singers find their voices and begin the lifelong joy of making music.

This class is held at River Forest Community Center on Wednesdays from 5-5:45pm. The next session runs from 11/6-12/18 (no class 11/27). \$90 per session.

As a special treat, singers from this session will perform in Pro Musicas Winter Concert on December 7 at 2pm! We hope to see you and your singer at rehearsal on November 6. Warmly,

- The Staff at Pro Musica Youth Chorus (www.promusicayouthchorus.org)
