

Please join us for this year's annual Breakfast with Santa, hosted by the Proviso East High School chapter of the National Honor Society.

This event promotes community togetherness and literacy through activities geared to kids of all ages, including a visit with Santa himself! There will be a pancake breakfast served and the entire community is invited to join us, and we'd love to see you!

Celebrate the sweet side of the holiday season with a fun morning of breakfast, play, and pictures with Santa!
